Date of Birth : 12.07.1983

Place of Birth: Kumba, Cameroon

Marital Status: Married, 3 Children (Childcare Arranged)

Nationality: Cameroonian

I am a dedicated and motivated Application Development student with experience in building modern websites, web applications, and game applications. I have strong knowledge of Next.js, React, WordPress, JavaScript, TypeScript, PHP, HTML, CSS, MySQL, and Godot, as well as practical experience in developing user-friendly digital solutions.

I am particularly interested in modern web technologies and agile development methodologies. Goal-oriented and solution-focused, I am eager to contribute my skills and continue growing as a software developer in a professional environment.
